Description

- Self-published series novella
- ISBN: B00GW5RN34
- November 2013
- eBook \$1.99

Trooper Leigh Abbott and forensic anthropologist Matt Lowell come together to solve their second case when the remains of a young woman are thrown away like garbage at a landfill. What seems straightforward becomes something much more sinister when the victim's bone damage reveals a shocking history of abuse. It will take reliving the horrors of Matt's military background, the team's forensic skills, and Leigh's intuition combined to catch the killer and give the victim the justice she deserves.
