Everyone has their Boogeyman. But who – or what – is scaring Saskatoon locals to death? Private detective Russell Quant falls into a nightmare case when the family of a suicide victim hires him to uncover the real cause of death. Quant works to narrow his list of suspects, only to find the number of victims growing. From Saskatchewan's summer storms to the menacing Lotus Land of Vancouver, Russell finally touches down in the Canadian Arctic where tragic hope resides. As Quant penetrates the truth of the Boogeyman, he finds himself on a perilous suspension bridge between idyllic childhood and grown-up violence.
