Meet the Women of the WISE Enquiries Agency. Henry Twyst, 18th Duke of Chellingworth, is convinced his mother is losing her marbles. She claims to have found a corpse in her dining-room, but all she has to prove it is a bloodied bobble hat. Worried enough to retain the women of the WISE Enquiries Agency (one is Welsh, one Irish, one Scottish & one English) Henry wants the matter explained away. But the truth is more complex, dangerous, and deadly, than anyone could have foreseen.
