It's Cait and Bud's wedding, but the rain won't stop, the supposedly romantic Welsh castle feels creepy, and there's a dead body on the stairs. What appears to have been the accidental death of the wedding's choirmaster reveals itself to have been a murder. And when a series of mysterious events occur around the castle, Cait, Bud, and Cait's sister Sian tackle the case of **The Corpse with the Sapphire Eyes**, attempting to solve the mystery before another sinister event can ruin their nuptials.
